

(Responses to survey questions)

The way in which I as an impoverished gay white male whom is now incarcerated will be impacted by the fascist Trump regime, will be the same way (all the have nots in (free) U.S society will be impacted. Which will be like the Reginald Louis XIV of France or Benito (If duce) Mussolini of Italy; we've all now got to prepare to do battle.

At this given moment all us incarcerated persons must read and study law and politics and also all incarcerated persons needs to get beyond the race (black vs white) ticket unify as one while maintain (2 way) contact with all our loved ones (any/all) legal and political advocacy agencies.

To build effective self-defense systems on local levels (nationwide), In order to serve all the (have nots) people and provide alternate structures of caveat governance; we all must be meticulously methodical systematic, in common approach to utilizing defense against any and all adverse actions and activities of all our common enemy, which is carvent (U.S) fascist government. Fight The Power That Be.

In unified solidarity for total liberation of for us all

Ice cream man
